**RE: JE BERKOWITZ, LP**

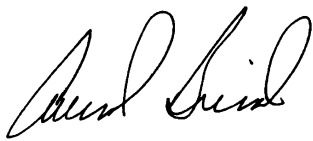

Dear Roger:

Please let this serve as a high recommendation referencing the JE Berkowitz, LP – Warehouse Expansion, Pedricktown, New Jersey, your personal involvement, and the performance of Skepton Construction.

The quality, attention, exceeded our expectations, and of course, the project was delivered ahead of schedule and under budget.

Again, congratulations to the Skepton team, and we would highly recommend your organization to other interested parties.

Kindest regards,

Arthur M. Berkowitz  
President
